Teacher Tips

Teach independence at the table with using utensils, cups, opening ziploc baggies, soft voices, staying seated & good table manners saying 'Please & thank you'.

Continue to work on independence in the bathroom; pulling pants up and down, flushing the potty, and washing hands all on their own.

Looking Ahead

End of the year singing celebration program will be Friday, May 4 at 11:30. Annual two-year old luau party on Wednesday May 16. Information on both events to follow up soon.
