Character Trait: Honesty

The Bible teaches us to always tell the truth. This month we are teaching the children it is always best to tell the truth, even if they did something wrong.

As your child is working hard to get ready for the 3's class, here's a few ways you can help:

*Teach them their colors and shapes

*Teach them to go potty by themselves: pulling pants up/down, wiping and washing their hands

*Teach them to sit during mealtime, all the way through, without getting up

*Teach them to always say "Please" and "Thank You"
